CONSUMER BENEFITS
Designed for powerful cordless cleaning for various wet and dry messes, liquid spills and larger dry debris like cereal
Safe for use on tiles, sealed wood floors, laminate, PVC and more. It even refreshes area rugs.
Two-Tank Technology. Always cleans with fresh solution.
The Automatic Self-Cleaning flushes out dirt, hair and debris from the brush roll after each use

INCLUDED IN THE BOX							
Multi-Surface Brush Roll (1 pc. - comes on a device)	3 in 1 Tray	1L Multi-Surface Floor Cleaning Solution	Pictorial User Guide & Safety Sheets				

PRODUCT DESCRIPTION
The BISSELL® CrossWave® Cordless Max combines tasks, vacuuming, mopping and drying at the same time, so you save time. The 36V lithium-ion battery provides up to 30 minutes of cordless cleaning power.* Its strong suction allows to pick up wet and dry messes like spills, food crumbs, mud and more for amazing cleaning results. Its multi-surface cleaning capabilities let you switch from cleaning sealed hard floors to refreshing area rugs in an instant. Two-Tank Technology keeps clean and dirty water separate, so unlike mopping, only clean water and cleaning solution go on your floor. CrossWave® Cordless Max also features up to 60%** improved edge cleaning to clean messes along baseboards and in corners. When you're finished cleaning, self-cleaning function automatically cleans the brush roll, flushing out dirt, hair and debris so there's less clean-up after cleaning. It comes with 1L Multi-Surface Floor Cleaning Solution to leave your house looking clean and smelling fresh. *May vary based on mode and usage **vs CrossWave Cordless & CrossWave Pet Pro
